

## Your Connection to Crossroads House

March, 2014

### Personal Touch Church "Talk"

Crossroads house does not continue without the amazing support of our local congregations. Just as you are referred to as the body of Christ, we refer to our staff, volunteers as the Crossroads House "Family". It's a family that needs to continue growing and working together. We do know that there are still people across Genesee and Wyoming counties that do not know about or understand the mission of Crossroads House. They may be in your congregation.

This is why we are offering to come to your church on any given weekend and have a "church talk". What is this you ask? 1. It's a 5 min moment in your service where we share our vision, encourage volunteerism as well as thank you for your previous support. 2. We set up an information table with volunteer info, flyers, upcoming events, and our wish list. 3. If you have a coffee hour after we will supply the goodies for that morning too.

We would love to visit soon! Please contact Peg at 343-3892 or via email at [ppatterson@crossroadshouse.com](mailto:ppatterson@crossroadshouse.com)
