

# Your Connection to Crossroads House

AUG 2013

As many of you already know, fundraising is our middle name here at Crossroads House! We provide 24-hour care for residents at no cost to them or their families, nor do we receive any medical reimbursement or governmental aid. Crossroads House is God's gift to the community. We rely tremendously on God's will, mercy, and grace in order to keep our house "going" and to continue our ministry!

Attached is a flyer for you to post on your bulletin board of our Expanded Musical Memories Week, September 25<sup>th</sup>-28<sup>th</sup>. This is one of our largest and most special fundraisers! This year, our goal is to reach **\$30,000** - the cost of two months of care for our residents. We sincerely thank you for your on-going prayers and support! **God Bless!**
