

Crossroads House Annual Campaign 2019

“A Gift to the Community made Possible by the Community.”

Dear Family Member/Friend,

As a supporter of Crossroads House, you join a legacy of over 490 residents and their loved ones in making comfort care possible. Comfort care focuses on providing the compassionate, dignified care that only family can provide. Our home is an extension of the resident’s home and our dedicated staff and volunteers are adopted family members.

Norma is one of our Resident Care Volunteers whose first experience with Crossroads House was in 2006 when her mother was a resident. She writes *“Funny how things turn out. On October 14, 2006, my mother Sylvia passed away at Crossroads House. My mother was an RN at Genesee Memorial Hospital and was very familiar with Crossroads House and what it took to be a volunteer.”* In December of 2017, Norma started as a volunteer, *“My children and grandson are now at an age where I don’t need to hover, so why not Crossroads House? Some of the volunteers that took care of my mother were at the same point in their lives as I was.”* Along with volunteering in the house, Norma gives back through fundraising.

This summer Norma raised money for Crossroads House by taking a splash in the dunk tank at the Town of Bennington Bicentennial.

“Being a volunteer at Crossroads House is one of the most rewarding things I have ever done. It has brought a great feeling of self-respect to know I can do it.”

“I know my mother is watching from Heaven and I feel her presence at Crossroads House. It is more than a house, it is a home of comforting care where residents, loved ones, volunteers and staff become family.”

Like every family, our home operates on a budget. Monthly gifts simplify the budgeting process. Partnering with Crossroads House with a monthly gift has never been easier with [safe, secure online donations through our website](#). For less than a dollar a day, your \$25 monthly gift adds up to immeasurable blessings to our residents and their loved ones.

Being a part of the Crossroads House family is forever. When you become a part of our family, your gift ensures that we can continue to provide the very best in end of life care without charge to our residents. If you haven’t already, won’t you join our family and pay it forward for future family members. In doing so, you enable others to entrust their loved ones care to us while they focus on the important work of building legacies and making lasting memories.
