

The best thing about *Memories*...is making them.

At **Crossroads House**, we are here to make memories happen for our residents and their families whenever they need them to; this year, we prepared Thanksgiving dinners in September and October. Think for a moment how you would want to spend your last months, weeks, or days. Would it be:

- ...taking daily naps with your beloved dog or cat?
- ...dictating your memoirs or recipes to a volunteer, to be recorded for future generations?
- ...having your family gathered in your room, eating pizza and looking at old photographs?
- ...watching the basketball playoffs with your sons, on a big screen TV?
- ...going to a Car Cruise to look at vintage autos and eat your favorite picnic foods?

These are just a few examples of what our residents have been able to enjoy during their time with us – because being at Crossroads House means living your best life, until you take your last breath. Thanks to our dedicated staff and volunteers, and the generosity of our community, we can deliver not only physical, emotional and spiritual comfort care for our residents (at no cost), but also life-changing support to the families that we serve.

As you prepare for the holidays ahead, would you consider adding Crossroads House to your gift-giving list? We are so humbled that we have been able to provide the very best in 24/7 end-of-life care for over 21 years. As a two-bed comfort care home that receives neither government assistance nor insurance reimbursement, we could not do it without you!
